Alexander Not Feared By the Boston Red Sox

Carrigan Crowd Declares the
Phillies' Star Has Not Speed
of Walter Johnson.

TWO CONTESTS TODAY

Joe Wood and Johnson Slated to
Meet in Hurling Duel—Other
Gossip.

By WILLIAM PEET.
"So it's Alexander who is going to win the world's series from us, is it?" "Well, I'll say that Alexander may be the best pitcher in the National League and he may beat us, but we'll be out there battling from the start."

That's the way Manager Bill Carrigan of the Boston Red Sox sizes up the coming world's series between his club and the Phillies.
"I am not so much afraid of Alexander as one of the other Philly pitchers, some second-string boxman," added Carrigan. "Everybody tells me what great speed Alexander possesses, and how he will stand my club on its head; but Jack Barry, Dick Hoblitzel, and other members of our team declare that Alexander never saw the day he had so much speed as Walter Johnson, and these men have battled against both."

"When Johnson is right he can buzz that old ball past a batter—something Alexander cannot do."
"While Johnson has beaten the Red Sox more than once we have usually been able to hit him, and I believe we will be able to hit Alexander."
"You must also consider that we have a pretty fair pitching corps, and the Phillies are liable to find some of my twirlers hard to reach."
"I look for a tough series, with every game a battle, but I expect to win. I would be a pretty poor manager if I did not have confidence in my club to bring home the banner."

Manager Carrigan was unable to state who would do the pitching for his club during the world's series, but intimated that Ernie Shore, Joe Wood, Dutch Leonard, and George Foster would probably be called upon.

"PAT MORAN DESERVES
CREDIT"—STALLINGS

Boston, Oct. 1.—"Manager Moran deserves a lot of credit for the pennant," said Manager George Stallings of the Braves, yesterday afternoon. "They put up a hard, plucky fight. In regard to the Braves—well, we had a hard road to travel, and any other club that had the hard luck we had all season would have lost their courage long ago." President Gaffney said last night that they will start all over and rebuild the ball team for next year.

Phillips will get his \$100 dollars and it will be turned over without a twinge of regret, for what is \$20 to Carrigan and Johnson with several thousand iron men coming to them as the result of the big clash next week.

Pat Donovan, former Red Sox scout, who this season managed the Buffalo club of the International League, is here with the Red Sox and has a good word for both Carrigan and Johnson, the players purchased by Griff, who have been in the Washington line-up regularly for two weeks.

According to Donovan, Joe Judge is going to be one of the sensations of the league next season, and he believes that Carrigan will hit much better than he has thus far shown.

COMMISSION TO MEET TO DECIDE ON SERIES

New York, Oct. 1.—The National Baseball Commission will meet here tomorrow to fix the date for the opening of the world's series between the Boston Red Sox and the Philadelphia Nationals. As soon as the date is fixed the presidents of the two clubs will toss a coin to determine where the first games shall be played.

The usual precautions to prevent a ticket scandal in connection with the world championship contests will be taken this year.

Both clubs report a heavy demand for tickets, hundreds having written for reservations as soon as it became apparent that the race was over.

Willie Hoppe on Scratch.
New York, Oct. 1.—Announcement was made yesterday that a handicap billiard tournament at the 18-inch ball line game, two shots in ball and two in anchor, will be held at the Music Hall of the New York Theater from Monday, November 15, to Tuesday, November 23, inclusive. The number of participants will be limited to six. Games will be played on a basis of 20 points, and Willie P. Hoppe, the champion, will be at scratch. Entries will close October 20. There will be six cash prizes, the nucleus of which is an announced subscription of \$250.

Bout Is Postponed.
New York, Oct. 1.—The ten-round bout between Jack Dillon and Jim Savage, scheduled for Ebbetts Field this evening, was postponed, owing to the rain, until Tuesday night, and will be held at the Broadway Sporting Club.

Back Bay Runs First In Laurel Handicap

But Eight Horses Start in
Feature Race at Mary-
land Track.

DODGE LANDS SECOND

BY GEORGE B. MORRIS.
Laurel, Md., Oct. 1.—The Maryland State Fair threw open its gates today for its fall meet which will continue during the entire month of October.

Heavy downpour of rain all day had a tendency to keep the crowd down, although about 5,000 persons were present. The track was heavy, and many scratches were made. Owners did not care to take any chances with their horses in a sloppy going, and as a result the fields were substantially reduced.

General Manager Winn had the track in excellent condition, and as late as yesterday it was said by many judges of horses that Laurel would hang out many new records.

The Laurel Handicap at six furlongs was cut in twain, only eight starters faced Starter Mars Cassidy. John Sanford's filly, Silica, was installed an odds-on favorite. However, there was no match for Back Bay, who won quite handsily from Dodge, a 2-year-old, who ran an excellent race and closed a big gap. The winner's end of the purse was worth \$1,350.

Skolay Runs Away.
Leo Skolay propped as the barrier was sprung and threw his rider. Skolay ran away about four miles before being caught. On the last lap, Skolay struck one of his hind legs and injured himself so badly that he may not be seen at the races for some time to come.

The next number of importance was the third race over the mile course. It was won by L. Feustel's filly, who beat Buckhorn a length and a half, while Sam McMeekin was a distant third. He will easily shock off his field rounding the first turn, and was well in hand all the rest of the way. Buckhorn was gaining on the winner at every jump. Sam McMeekin ran a creditable race, but it was apparent that he did not relish the going.

Final to Republican.
Republican, a rattling good selling plater, met Borgo, Harry Lauder, and Gloaming in the last morning, a dash of a mile and one-sixteenth, which wound up the day, and the talent made him a favorite. He did not disappoint his admirers. Taking the check at the start, he led as he pleased, winning in a gallop by a length and a half from Borgo, who beat Harry Lauder so far that it was hardly worth while to make note of the distance.

The five-and-a-half furlong dash for maiden 2-year-olds attracted Belian Trooper, Broodmare, Delaney, Landis, McDaniel, and Marmar. Delaney was installed favorite at a short price. Delaney, the son of Rockland and Delia, showed a dash of his father's speed in the last sixteenth pole, to which point he led his field by five lengths. There he stumbled and Brood Corn and Belgian Trooper passed him in a jiffy, the last being the winner by a length and a half. Brood Corn finished four lengths in front of Delaney, who was a scant half a length in front of Brood Corn.

H. G. Hedwell won his first race since he came to Maryland from Canada, when Golden List won the 2-year-old race at five and a half furlongs. The opponents of Golden List were Plumose, Greenings, High Horse, Mayme W., Estimator, Ataka, and Haria.

The race for tomorrow is a good one, and with fair weather in store a record-breaking crowd should be in attendance.
